

SUMMER ACADEMIC ENRICHMENT PROGRAM

SAEP is an intensive, six-week inter-professional academic enrichment program located on the VCU Health Campus in Richmond, Va. Designed to prepare junior and senior undergraduate and post-baccalaureate students for admission into health professional programs, SAEP provides an academically rigorous experience that simulates the first year of health professional school.

Participants are provided housing and a stipend to cover program expenses.

APPLICATION DEADLINE: FEBRUARY 1ST
PROGRAM DATES: MAY 23, 2017 - JUNE 30, 2017

TO APPLY: [DHS.D.VCU.EDU](https://dhsd.vcu.edu)

FOR MORE INFORMATION: (804) 827-0982

Students choose a concentration from only one of four disciplines to participate in on their application: Dentistry, Medicine, Pharmacy and Physical Therapy.

Requirements for admission to the program include:

- Three complete years of college coursework, including organic chemistry I and II (Note: organic chemistry not required for physical therapy track)
- Cumulative GPA of 2.75
- Two letters of reference
- SAT/ACT Scores
- Official Transcript(s)
- Strong interest in attending health professions school at VCU
