Compromiso, Valores, Servicio, is a year-long Pipeline program offered to college-level Spanish speaking students who are interested in serving as a member of a healthcare team. The program offers students the opportunity to serve as an interpreter while exploring a career in Pharmacy.

Participants meet once a week for 90-minute sessions to develop clinical skills, learn about the pharmacy profession, and prepare for immersive shadowing opportunities at Crossover Health Ministry, Southside Community Health Center, and Una Vida Sana. The program concludes with a PCAT Bootcamp and a student-run clinic at a local health facility. Each participant will receive $200 per semester to cover any program costs.
