DENTAL HYGIENE CAREER EXPLORATION PROGRAM

VISIT DHSD.VCU.EDU TO LEARN MORE & APPLY!

The Dental Hygiene Career Exploration Program (DHCE) is a Pipeline program sponsored by VCU School of Dentistry for high school students in Virginia who are interested in exploring a career in dental hygiene. DHCE is designed to expose high school students to the dental hygiene profession through hands-on laboratory experiences.

THE THREE-DAY PROGRAM WILL:

- Increase students' awareness of the profession of dental hygiene as a career option
- Offer strategies for entry into a dental hygiene baccalaureate program
- Give students an opportunity to experience a learning environment that is compatible with the standards of higher education to enhance their overall academic skills
- Encourage students to feel confident about pursuing a health professions program

Students are required to provide their own transportation and parking during the program. Lunch and any resource materials required to participate in the program will be provided. Commitment to full attendance is required to participate.
